

Lotus Learners Chinese Language Course

Recently featured in the Harrogate Advertiser and on Stray FM!

I am very happy to be providing a Mandarin Chinese language course in Willow Tree every Tuesday after school from 3.15 - 4.00. My classes are fun and engaging and the children learn through games, songs, crafts and role-play.

The group is limited to 12 students to optimise their learning potential. I have an excellent website www.lotuslearners.co.uk which I update every week, where parents and students can log on and access a list of the vocabulary with an accompanying audio file.

Mandarin is the most widely spoken language in the world. It is the language of the present and the future and many high schools in Harrogate are now providing it as an option. For more information you can contact me at s.cummings@lotuslearners.co.uk.
