30th January 2018

Dear Parents/Carers,

Year 6 PHSCE lessons

After half term, Year 6 will be covering sex and relationships in their PHSCE lessons. As per the policy agreed last year, the children will be covering/recapping:

- Physical/emotional changes in puberty
- Human reproduction
- How to keep themselves safe within relationships
- Positive relationships

There will be an opportunity for parents to see the materials we will be using on **Monday 5th February at 6pm in Silver Birch.**

If you are unable to attend this meeting and would like to see the resources, please see your child's class teacher and they will be happy to answer any questions. Additionally, if you feel your child has different or additional needs in this area, please arrange to discuss this with your child's class teacher.

Parents have the right to withdraw their children from the parts of sex education which are not included in the science curriculum. If you would like to discuss this, please speak to your child's class teacher or Mrs Davey.

Yours faithfully

Mrs Bailey
Year 5/6 Phase leader
