Classes Next Year

This is the time of year when we begin to make plans for classes for next year. Every year parents come to see me after the new class lists have been published with concerns about friendships, where children have been placed together or apart, issues between families, etc. Changing classes at this late stage is almost impossible as we have worked really carefully to place children in particular groups that the teachers believe are best for them knowing them as they do in school. If you have very strong feelings about what is best for your child please let me know **in writing now**.

For your information the teachers will always ensure that friendships are taken into account and the children themselves give us a list of friends before the process takes place. I am therefore not expecting parents to give me a list of their child's 'best friends' but to let me know if they have any genuine concerns or issues which we may not be aware of. If you have twins please could you let me know in writing whether you would like them placed together or separately.

We DO NOT take requests for specific teachers or whether or not your child is placed in a mixed age class. We will not be making any changes to class lists after they are published in early July. **All letters of concern should be received by 12th May** and whilst we will give every consideration to your request we must advise you that for various reasons it may be impossible to accommodate every request.

After School Clubs

There are still places available in Summer Sports, Y3/4 Dance, Football and Multiskills. All information is available on the school website.

Oliver in Hornbeam graded for his purple belt & achieved a merit for his hard work. Well done Oliver!

Last weekend Holly in Acer received her acrobatic dance exam result and achieved a distinction! Well done Holly!

Holly has been dancing for Chatsworth dance centre since age 4 doing ballet, tap, modern, freestyle, musical theatre and acrobatic dance every week. When Holly grows up she would like to be a dance teacher!

William from Spruce class went on a special trip to London at the weekend to visit the Natural History Museum. He visited the special Titanosaur exhibition, and learnt about the Patagotitan which is one of the largest dinosaurs to have walked on our planet. He spent the full day exploring the museum. William loved seeing all the dinosaurs exhibits as he wants to be a palaeontologist when he is older.

We are very excited to announce a brand new event to the school events diary this year! On Friday 19th May from 4pm we will be putting on our first RAINBOW WARRIOR RUN for all children, teachers, siblings, parents, carers and friends who may wish to join you!

This will be about a 1km fun run/walk around the school field – this will be interspersed with obstacles for you to navigate. At each obstacle along the way you will be doused from head to toe with coloured powder resulting in a rainbow of colour!

We are very lucky to have the fire brigade coming along to support with the event and spraying down participants to add to the fun!!

THE EVENT

We will be setting participants off in several waves starting with our younger runners. Parents/carers, friends and family are all invited to come along and take part in the event and enjoy the fun – the more the merrier!! Please note the waves are for guidance only – you can choose whichever wave suits best.

WAVE 1 – 4.30pm – Early years / Foundation stage (Little Oaks & Reception)

WAVE 3 – 5.10pm – Lower Key Stage 2 (Years 3 & 4)

WHAT TO WEAR

It is recommended that participants wear a white t-shirt for the full effect of the powder however this is not compulsory! We also request that eye protection be worn by all – this can be swimming goggles, sunglasses, safety goggles etc....
